Extraordinary, and Unparallel'd CURIOSITIES, Compoſed of Wax, (ſo near the life, that they cannot be excelled by Art) in Seven ſeveral *SCENES*.

1. IN the firſt is to be ſeen the Angel's Meſſage to the holy Virgin MARY, *viz. That ſhe ſhould conceive, and bear a SON*, &c. which Figure preſents it ſelf like a full grown young Man in long ſhining Garments, bowing his head, moving his eyes, and lifting up his hands, which is very wonderful to behold.

2. In the ſecond is ſet forth the Angel *Gabriel*'s appearing in the likeneſs of a Man to the Shepherds, as they were watching their Flocks, immediately after, the Heavens opening, an Angelical company deſcend; a thing ſo rarely performed, that it may ſatisfy the moſt Curious.

3. The third preſenteth the Virgin MARY, and her bleſſed Child, as the Shepherds were kneeling before them, all in a moving poſture, the babe lying on the Virgins arme, and ſhe kiſſing it many times.

4. The fourth deſcribeth the Bleſſed Virgin, with the Infant on her arm, and JOSEPH with a Lanthorn in his hand by her ſide; at which inſtant the three *Eaſtern* Kings fall before them, and open their Treaſure as exactly as if they were Living Perſons.

5. The Fifth repreſenteth *Judith* and *Holofernes*, with the manner of her Beheading him in his Tent, as he lay aſleep upon his Bed.

6. The Sixth doth Exactly ſhew how the Prophet *Elijah* was taken up to Heaven in a Fiery Chariot, and how he let his Cloake or Mantle Fall upon his Servant *Eliſha*, who afterwards became a great Prophet. This was never ſeen here in *England* before; and it is Admir'd by all Perſons, becauſe it is an Excellent Piece.

7. In the laſt, The Heavens open, under which appears a rough Sea, raiſed as it were by bad weather, NEPTUNE ſhewing himſelf therein riding in a Sea-ſhell, being in the likeneſs of a Man with grey hairs, moving his head and body. Likewiſe *Jupiter* deſcending, taking of *Venus* up into his Chariot, alſo *Cupid* riding upon a Dolphin, in ſuch manner as is very pleaſing and almoſt incredible to be performed by Art.
